

LUNCH N' LEARN: COMMUNITIES OF MEANING

WITH RABBI JODIE GORDON

WEDNESDAYS: JULY 24, JULY 31, AUGUST 7, AUGUST 14
FROM 12:00PM TO 1:30PM
B.Y.O.L. (BRING YOUR OWN LUNCH)

This summer lunch and learn series will use the book
"Communities of Meaning: Conversations on Modern Jewish
Life Inspired by Rabbi Larry Hoffman" as our core text.

Each week, we'll read 1-2 essays that give us food for thought
as we consider big questions such as:

- How, where, and why people pray
- What Jewish life looks like today, and what lies ahead
- How Jews engage with people of other faiths
- How our faith can shape action and commitment

Please check your emails from Hevreh for more information
