Hevreh Fees and Payment Schedule 2026-2027

Community Commitment Fee

Your annual Community Commitment helps to maintain our warm and embracing congregation and is Hevreh's primary source of revenue. We are dependent on your financial generosity to support our outstanding clergy and staff, as well as cover the day-to-day operating expenses, care of our facilities, and to underwrite many of our programs.

Family - $2,948 (2 or more in a family living in the same household)
Individual - $2,184
Associate - $2,236 (for members that belong to another synagogue in good standing)

Security Fee

$200 per membership
We are reinstating a security fee to each membership level. This reflects the real and significant cost of keeping our community safe.

Sustaining Member Circle

This is an additional commitment over and above one's basic Community Commitment level. This generosity supports Hevreh's growth and physical and spiritual home, and also assures that all those who wish to be a part of our community are able to do so.
